Fashion Entrepreneurship Program

INTRODUCTION TO THE COURSE

Clothing is one of the most basic needs of human beings. The fashion industry is always evolving and changing with new styles presenting themselves every day. With change in fashion & style, the stitching of garment also changes. Hence keeping in view the market demand and change in fashion technology, courses on cutting, tailoring & dress making have been suitably designed in the structure of non-formal education. MODO Academy's Fashion Entrepreneurship program is designed to equip you with the necessary knowledge and skill set to become the best fashion entrepreneur possible.

OBJECTIVES

- To provide the latest trends, knowledge, information and practice in tailoring, fashion and design entrepreneurship.
- To build work ethics, handling different types of clients, and mastering appropriate communication skills.
- To enable students to get hands-on experience in the industry.
- To develop student understanding of work ethics, employment demand, responsibilities and opportunities.
- To enhance and strengthen linkages between our tailoring institute and various stakeholders.
- To provide knowledge & training in;
 - Fashion and entrepreneurship
 - Fashion marketing, strategy, branding and promotion
 - Use of tools & equipment used in tailoring trade
 - Sewing terminology
 - Taking correct body measurements
 - Basic hand & machine stitches
 - Designing, drafting & pattern making
 - Layout & fabric estimation
 - Cutting, tailoring & finishing of garments for children, ladies & gents.
 - Alteration, defects & remedies to fitting problems.
 - Processes of quality control, packaging, labeling, marking, costing & promotion.
 - Sourcing of fabrics, trends & relating to the servicing process.
 - Skill to construct professional looking garments.
 - Enhancing employability & entrepreneur skills.
