ABOUT

MTINDO STUDIO

Mtindo Studio

Mtindo Studio is a tailoring factory in northern Uganda that creates dignified employment opportunities for women in the apparel industry. Mtindo works with brands locally and globally to manufacture goods in an empowering and transparent way.

Why Mtindo?

The word '*mtindo*' is a Swahili word that means both fashion and quality. At Mtindo we are focused on delivering quality goods that also do good.

Every time you make an order with Mtindo, you are directly **creating employment** opportunities for women in Uganda and a percentage of your order goes back to **supporting girls education** through our NGO, Mtindo Academy.
